During a placement, your program will request that you complete certain activities such as:

- Forms or Evaluations
- Patient Logs
- Timesheets
- Time Off Requests

Within Prism, you have 2 ways to access this information – via the Coursework page and the Learning Activities section.

Both pathways will allow you to complete these activities, but they look a bit different. Let's take a look!

## Viewing Learning Activities via Coursework

- 1. To navigate to the Coursework Section:
  - a. Click on the Coursework Section from your Old Student Dashboard.
