University administrators can now comprehensively review compliance across all programs within the Tenant Application through the dedicated Compliance Management section.

1. When you click on the tile for institution administrator, the following dashboard appears where you will click on "Compliance Management":

≡ Tenant App		🗱 🕜 🚫 Ask Leo Exxat Sales () 🗸
Say Hello to Prism! We are thrilled to announce that "Version 4" is now <u>Prism!</u> Prism brings Our <u>Help Center, YouTube</u> channel and <u>Support teams</u> can help you alor	ffer all in one place - start exploring today.	
See User Management Manage Users and Roles for your University	Compliance Management Review compliance documents setup for the programs of this institution.	 Contracts & Sites Management Find contact information, contracts, availability and clearance requirements for clinical sites. Placement Report View consolidated placements report across programs.

2. You will see a list of all students with the program names & the cohort information. On this page you will also see the current status for all compliance items of each student. You can also click on the funnel icon to filter results, the wrench icon to rearrange the columns or Export to download the same on an excel spreadsheet.
